**LETTER TO THE EXAMINER**

Examiner Boykin:

Applicants are resubmitting the Information Disclosure Statement originally filed March 13, 2003. The original Form 1449 is not available on PAIR apparently indicating that some error occurred during the document processing. The original Information Disclosure Statement was properly filed and received at the USPTO as indicated the copy of the postcard with the stamp of the Patent Office acknowledging receipt submitted herewith. Applicants believe that there is no fee associated with this filing. However, if there are any charges with respect to this matter, please charge them to Deposit Account No. 07-0893 maintained by Applicants' attorneys.

Respectfully Submitted,

CANTOR COLBURN LLP
